## Wolf and the Angel (Intimate Moments #417)

Kathleen Creighton

SHE wanted HIS STRENGTH Doctor Terry Duncan knew drifter-pilot Jack Wolf used to be difficult the minute she observed him. now not for a moment did she purchase his tale that he simply desired to Wolf and the Angel (Intimate Moments #417) support her get scientific offers to Baja, Mexico. Unfortunately, she wanted him. Terry attempted desperately to metal herself opposed to the charm she felt towards Jack. however it was once tougher than she thought, simply because over the process their journey, the emotionally frozen Jack Wolf started to thaw ... Terry would not be aware of till a lot Wolf and the Angel (Intimate Moments #417) later that Jack's harmful plans disintegrated a bit extra on a daily basis he spent with her. Terry and the tiny child they discovered themselves saddled with made Jack believe wondrously alive, wondrously protective. He purely prayed Wolf and the Angel (Intimate Moments #417) he may well preserve all of them from getting killed ...
