# **Words and Songs of Bessie Smith, Billie Holiday, and Nina Simone: Sound Motion, Blues Spirit, and African Memory**

Melanie E. Bratcher

This booklet explores the connection among 3 African American women's dance-art-music Words and Songs of Bessie Smith, Billie Holiday, and Nina Simone: Sound Motion, Blues Spirit, and African Memory sensibilities in the context of a Pan African aesthetic. Its function is three-fold: to teach commonalities among Bessie Smith, Billie vacation and Nina Simone's lives and unique compositions; to codify, learn and overview their chosen music performances according to the Pan African aesthetic "Nzuri theory/model;" and to light up the immense assets of transformational values that aesthetic research of African American track functionality can foster. Following concordant systems and rules of Afrocentricity, the examine specializes in Smith, vacation and Simone's performances as a part of an entire African creative and cultural worth system. The aim of the Afrocentric methodological constitution is to find correct African dynamics in songs and to Words and Songs of Bessie Smith, Billie Holiday, and Nina Simone: Sound Motion, Blues Spirit, and African Memory advertise wisdom for cultural transformation and continuity. Its use during this research presents meta-criteria for interpreting African American music, which the writer has used to uniquely argue connections among African cultural reminiscence and African-derived cultural expression.
