Zaragoza (Episodios Nacionales, Primera Serie #6)

Benito Pérez Galdós

El gran friso narrativo de los Episodios Nacionales sirvió de vehículo a Benito Pérez Galdós (1843-1920) para recrear en él, novelescamente engarzada, la totalidad de la compleja vida de los españoles -guerras, política, vida cotidiana, Zaragoza (Episodios Nacionales, Primera Serie #6) reacciones populares- a lo largo del agitado siglo XIX. Prisionero de los franceses en «Napoleón en Chamartín» (BA 0305), Gabriel de Araceli se fuga y se dirige a ZARAGOZA para incorporarse al ejército que se está organizando con Zaragoza (Episodios Nacionales, Primera Serie #6) fuerzas dispersas. El destino lo lleva a ser uno de los valerosos defensores de la ciudad en el segundo y más fuerte de los "sitios". Junto con otros personajes de overall creación literaria, Araceli convive con el normal Palafox y las demás figuras históricas que realmente intervinieron en la gran gesta popular.

Zaragoza, sexta entrega de la primera serie de los Episodios Nacionales, pone de relieve el cruento desenlace que vivieron los patriotas aragoneses tras la victoria lograda por las filas del Corso. Lejos quedan ahora las desavenencias familiares, las frivolidades aristocráticas o los escarceos amorosos. Don Benito ha querido poner sobre la mesa las imágenes que quedaron grabadas en la retina tanto de combatientes como de familiares que socorrieron a sus allegados ante la tropelía napoleónica. No es el momento de recuperar en estas páginas la ficción con la que el escritor canario había deleitado al lector, pues la pérdida en esta etapa se percibe como el ocaso de aquellas primeras victorias que elevaron el optimismo de los españoles. Es, en definitiva, una llamada de atención no sólo sobre la felonía francesa, sino sobre las incongruencias de un colérico patriotismo llevado al extremo. En cualquier caso, lejos de cualquier crítica, lo que quedó más allá de la muerte en tierras zaragozanas fue el emblema de una nación que supo mantenerse unida ante el atropello foráneo.
